

WLPS Sports/club Participation Pass

If your child is participating in any Whitmore Lake Public School Sports that involve them leaving LCA on a WLPS bus, or the need to leave early from class for this sport, this form *must* be filled out. Your student(s) must come to the office and get a copy of this form, as it is their responsibility, and they will not be allowed to leave early or get on the bus if we do not have this form filled out. One form must be filled out for EACH student, and EACH sport, even if occurring in the same season/semester. Your students attendance and grades will be reported to coaches.
